As long as the property owners are content with what we put on insurance.
Len is not getting back to me at all.

Weber Property

I pulled his street address directly from the deeds. Bearing in mind that they are referencing an address over 20 years ago. What was your source of information for this?

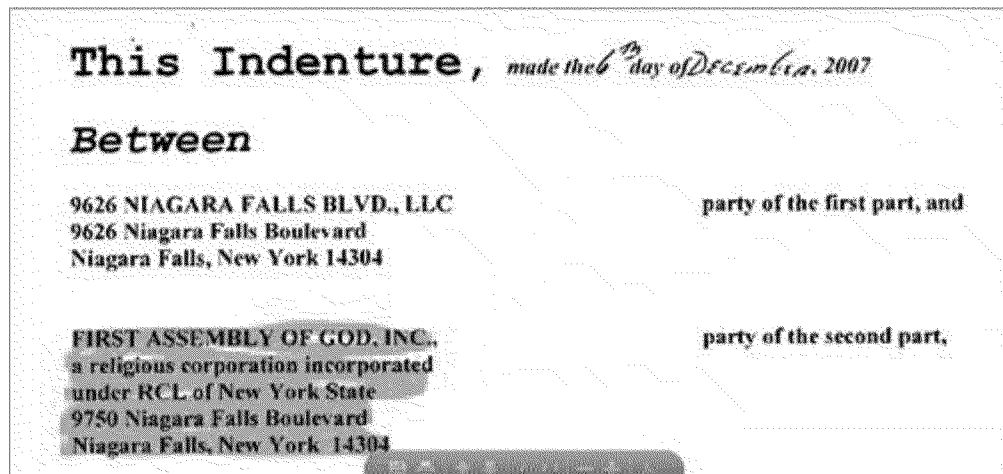

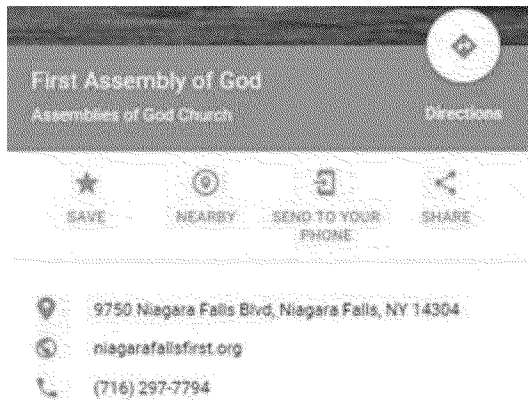

For the big parcel, Niagara County GIS has it listed as Porter Road

First Assembly of God, Inc:

From the deed as well cross referencing their website: <http://www.niagarafallsfirst.org/>

Other considerations:

We should have parcel address 9512 Niagara Falls Blvd listed under 9524 Niagara Falls Blvd LLC. It's the side parcel adjacent to the hotel property.
